• Instructors Manual • Transparencies • Test Bank • Components from Instructor Resource CD-ROM or DVD • Test Item File • TestGen • Pearson MyTest • PowerPoints®

Registering for IRC Access

Step 1: Upon adoption or to preview, go to http://www.PearsonSchool.com/Access_Request

Step 2: Select **Option 1**.

Step 3: You will be required to complete a brief, one-time registration subject to verification of educator status.

Step 4: Upon verification, access information and instructions will be sent to you via email.

Downloading Resources

To access the resources for your textbook, simply follow the steps below:

1. Visit <http://www.pearsonhighered.com/educator>
2. Enter your text **ISBN** in the **Search our Catalog** box or use the **Advanced Search** link to locate your text by Author and Title
3. Once you reach your textbooks product page, select the **Resource** tab to view the available resources. Downloadable resources will have an icon and link.
4. **Select the link** for the resource to be downloaded
5. When prompted to sign in, **enter your personal log in and password you created** during the registration process. Files will automatically download. Only one file will download at a time.

*Resources vary by title; not all resources listed above are available for every title.

Course Code	Course Title	ISBN #	Level	Textbook
129831001	Advanced Topics in Math	0131362186	Regular	Prentice Hall Algebra and Trigonometry, Blitzer, 83-785-0
