Are you interested in Aviation?

Join aviation enthusiasts from around South Florida as we show off general aviation aircraft, commercial jets, and helicopters. Come and participate in many of our hands-on activities and projects such as: sheet metal riveting, aircraft engine run-ups; safety wiring; test avionic meters and scopes, listen to radio communication from FAA MIA tower; tour our MD-80 and Boeing 737 jets and much, much more.

There will be food, t-shirts and other Baker Aviation paraphernalia for sale. In attendance will be college and university representatives, aviation related companies, flight schools, etc.
