7. If you are assigned to more than one course, you must select one course to work on before entering the Edgenuity platform. Using the dropdown menu, select a course, and then click on Login>> to be taken to the Lobby. From there, you will click on the course name under My Course List and Next Activity to begin working.

Note: Be sure to log off when you are done working. If the course selected is part of a school within the Edgenuity platform that has Secure Station enabled, you will still be required to work from an authorized computer.
