

The Miracle League of Miami Dade is a non-profit organization that provides children with special needs the opportunity to play baseball in an organized, non-competitive league. Miracle League players are paired with “Baseball Buddies” who will assist the players on and off the field. During every game, each child is given an opportunity to bat, run/walk the bases, score a run, and play the field. You could not find a more accurate word than “Miracle” to describe what happens on and around the field. You can see on the faces of each player, family member, coach, volunteer, and spectator how much the Miracle League experience touches every heart.

Upcoming 2015 Miracle League of Miami Dade Games:

- January 10 – Dr. Michael Krop High School
 - January 24 – Suniland Park, Pinecrest, FL
 - February 7 – Christopher Columbus High School
 - February 21 - Marlins Park
 - March 7 - Ransom Everglades School
- (Games are on Saturdays / Game length: 1 hour or 2 innings)
